CAR Wash to Support Tustin SADD Teen Safe Driving Initiative Announced

*May is National Youth Traffic Safety Month
National Data Shows Auto Accidents Are #1 Cause of Death among Teenagers*

TUSTIN, Calif. (Apr. 28, 2009) – To help increase awareness of safe teen driving, 26 students from Tustin High School will volunteer their time at DCH Tustin Acura on Saturday, May 2, 2009, offering car washes to the public. Funds raised will support the local chapter of SADD (Students Against Destructive Decisions), which the students recently formed at the school.

The fundraiser car wash will be held from 1 p.m. to 5 p.m. The public can purchase advance tickets for \$5.00 at Tustin High School or Tustin Acura, or can purchase tickets at the event for \$10.00. All proceeds will benefit the local SADD chapter at Tustin High School. Tustin Acura has arranged a special appearance of KLOS 95.5 FM, Southern California's Classic Rock Station, during the event from 2 p.m. to 4 p.m.

SADD is a national organization with more than 350,000 active member students at 10,000 middle school, high school, and college SADD chapters around the nation. SADD focuses on prevention of all destructive behaviors and attitudes that are harmful to young people, including underage drinking, substance abuse, impaired driving, violence, and suicide.

As a SADD partner, DCH Auto Group, with more than 30 dealerships in Southern California and the New York Tri-State area, has committed to setting up local chapters where its dealerships are located. Locally, DCH Tustin Acura sponsors SADD chapters at Tustin High School and Beckman High School.

Tustin Acura will support additional safe driving programs for local youth as part of SADD's teen-directed Safe Driving Campaign called "Mindless Driving. Keep It Out of Cars!" In May, students from both high schools can participate in two field trips to learn defensive driving at Tustin Acura. Students in all Orange County High Schools will also be able to register for more intensive Youth Defensive Driving Training sessions on July 11-12 and August 8-9 at the Toyota campus in Torrance, free of charge.

For more information about these events and other programs designed to help teens learn to drive defensively and safely, click on www.DCHTUSTINACURA.com/SADD.htm. For the Youth Defensive Driving Event, interested parents, teachers, and students are encouraged to contact Rochelle Shirkhanbaigi at 714-734-4049, or email customerrelations@tustinacura.com for reservation and event registration. Enrollment is limited; first come first served.

DCH Tustin Acura is located in the popular Tustin Auto Center in central Orange County.
