TUSTIN AUTO CENTER ANNOUNCES NEW EXECUTIVE BOARD

TUSTIN, Calif. (Nov. 9, 2012) -- Tustin Auto Center, established since 1986, today announced the newly-elected members of its Executive Board. Dick Hsu, general manager, DCH Tustin Acura, was elected president, and Mark Parkinson, owner of Tustin Buick Pontiac GMC, will serve as vice president. John Patterson, CEO, Tustin Mazda and Tustin Hyundai, became treasurer, while Glenn Kashima, Fixed Operations Director of Tustin Toyota, was elected to the post of secretary.

Voted Orange County's #1 Auto Mall since 1993 by the Orange County Register, the Tustin Auto Center is known not only for its broad selection of 13 major auto brands, but also for its charitable contributions to the community.

Charitable programs supported by the individual dealerships or collectively throughout the years have yielded millions of dollars for numerous schools, youth sports teams and nonprofit organizations throughout Tustin and Orange County. In October, the Auto Center completed its 4th annual "Help Our Schools" fundraiser, in which each dealership contributed \$50 for each car sold to a school designated by the car buyers. During the past four years, more than \$275,000 has been raised and donated to local elementary and high schools.

Currently, the Auto Center is holding a holiday food drive in partnership with the Orange County Rescue Mission. "We welcome anyone in our community to join us in this effort by bringing canned food or non-perishable food items to our collection bins located at each dealership," said Hsu.

The Tustin Auto Center is located directly off Interstate 5 between Red Hill Drive and Jamboree Boulevard. Take the Tustin Ranch Road exit to Auto Center Drive. For more information, visit tustinautocenter.com or call 949-837-2701.
