Tustin Hyundai Celebrates Opening of New Location in the Tustin Auto Center

New Showroom is Double the Size and Brings Expansive Inventory Under One Roof

TUSTIN, Calif. (July 3, 2012) –Tustin Hyundai, part of the OC Auto Team family of dealerships, will celebrate the grand opening of a new, larger location within the Tustin Auto Center on Tues., July 10. The new showroom and lot, which sits on 4.35 acres within the auto center, will provide an improved customer experience and will allow the dealership to bring its expansive inventory under one roof. The move is also a reflection of the growing popularity of the Hyundai brand among Southern California auto buyers.

City of Tustin officials and top executives from Hyundai Motor America will attend the grand opening celebration, which will be held from 5pm – 7:30pm and will feature food and libations from Quinn’s Old Town Grill, recently voted #1 by The Best of Orange County.

“As the newest Hyundai dealership in Orange County, we continue to see increasing demand as Hyundai introduces new, high-quality cars, sedans, coupes and SUVs with their innovative technology and unique styling,” said John Patterson, president, OC Auto Team. “Our new Tustin Hyundai showroom at the Tustin Auto Mall makes it easier for our customers to experience our award-winning customer service including the opportunity to see our sizeable inventory in one location.”

Tustin Hyundai’s customer service was honored earlier this year, winning the 2012 California State Dealer of the Year award by DealerRater, an auto industry consumer rating and review website. Every dealership in the state of California qualifies for the award, and dealers within each brand are ranked against each other for the highest score.
